Theird transnational meeting Erasmus+
Thessaloniki-Greece 5th - 6th October 2017

INTERNATIONAL COOPERATION THE GURANTEE
OF DEVELOPMENT OF LOCAL PRODUCTS

SANDRA LOPES CONSULTORIA

On the 5th and 6th of October 2017 the 3rd meeting of the CLIP - International cooperation – the guarantee of development of local products project was held in Thessaloniki , Greece. This project has been funded and supported by the European Commission.

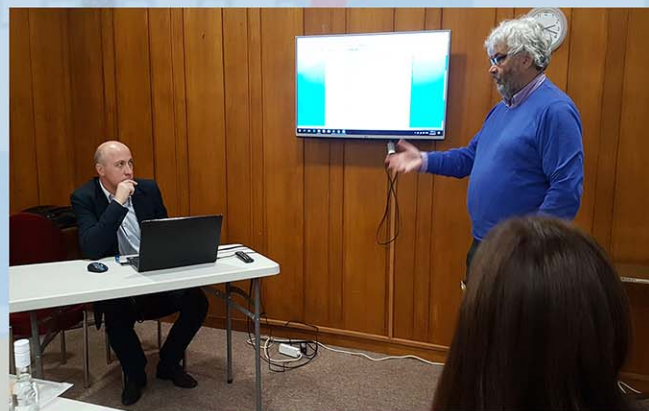

The first day meeting has started with a speech of Niki Konstandinou the president of PASKEDI (GRC) introducing the activities of the organization and welcoming the partners of all countries. Later was a presentation of the Greek team by Andreas Nachlas, what have done so far according the program.

The Greek host partner has introduced the organization web sites and activities in Greece and the agenda of the meeting,

that followed by a speech of the project coordinator (POL) showing the partners what have been done so far and next activities to be done by each partner, the coordinator summarized the current activities and focused on the involvement of local producers both in website and local/transnational activities, also mentioned the rule of each partner and the what have to be done in the next stages.

In this meeting, proposals and solutions to some problems related to the European product were presented in the face of importation of non-European products.

Proposals were also discussed to participate in future programs and to benefit from fruitful cooperation between the parties involved in more than one European program.

A presentation of the organic products in Greece according to European and world rules by PASKEDI Mrs. Nikoleta Avgita. Mrs. Nikoleta Avgita is the owner of one of the leading company of producing and distributing organic products in Greece and some European countries, this presentation has confirmed the rules and key facts about organic food and farming in Europe and how new rules will improve the quality further.

The second day the partners involved in discussing few products from each country including the difficulties producers face to satisfy the market with quality and price to face the imported products.

In the same period of Thessaloniki meeting, the meetings with the interested parties continued from the members of the Association (PASKKEDI) and outside the scope of the courses agreed upon by the program. Several topics were discussed on the pros and cons of the European product in the field of catering and cafeterias, including equipment, food and beverages.
